Roger Fernandez Natural Gas Star Program U.S. Environmental Protection Agency 1200 Pennsylvania Ave., NW (6202-J) Washington, DC 20460

Dear Roger,

Enclosed within this package, please accept Devon Energy's 2006 EPA Natural Gas STAR Annual Report. The first page of the report contains a summary of the annual methane emission reductions since 1990. The second page is a summary sheet of emission reductions based on activities followed by a summary sheet based on each Division's (Business Unit's) reductions. The remainder of the report includes a detailed account of methane emission reductions by Division.

If you should have any questions regarding this report, feel free to contact me at 405-552-4672.

Sincerely,

Steven C. O'Connell
